**Facts, Fantasy, Legends and Lies – A Historic Perspective of Santa Fe**

Activity Length: 1.5 – 2 Hours

Wonder why Santa Fe has been such a popular destination dating back to the 16<sup>th</sup> Century? What is it that makes Santa Fe the “City Different?”

Find out the who, what, where and how of Santa Fe on this leisurely stroll through more than 400 years of Western society history, art, and culture, and over 1,000 years of Native American heritage.

Your guide will lead you on an entertaining, humorous and extraordinary tour of Santa Fe. At the historic Plaza, you will learn about the Palace of the Governors (whose occupants have included government and military leaders from Spain, Mexico, the Confederacy, the U.S. and Indian nations).

As you wander the downtown area, you will visit and learn about St. Francis Cathedral, the ambitious undertaking of Bishop Lamy – himself an integral part of shaping Santa Fe’s history. You will explore the Loretto Chapel and its miraculous staircase, and learn about the mysterious carpenter who created this marvel.

You will visit the State Capital, The Round House, and then go on to what is believed to be the oldest church in the United States.
